

## Lexmark C925 Family

The Lexmark C925de color printer delivers outstanding A3 color printing, easy-to-use features and productivity solutions, all through an affordable, compact design.

### Affordable A3 color printing

The Lexmark C925 Family provides A3 (11 x 17) printing at an affordable price. With its compact design, you can also save valuable office space. Enjoy the benefits of vibrant, professional-quality output on a wide variety of media, allowing you to do more color printing in-house. With the advanced color technology of the Lexmark C925 Family, you'll get excellent, consistent color from the first page to the last.

- ▶ Match corporate colors on marketing collateral and brand-sensitive text and graphics with Lexmark Named Color Replacement and PANTONE® calibration
- ▶ Supports media up to 11.7 x 48 inches
- ▶ Lexmark Color Care Technology to manage color usage and control costs

### Easy and intuitive

The Lexmark C925 Family is designed for easy operation and maintenance.

- ▶ 4.3-inch color touch screen provides audible feedback to make completing tasks intuitive
- ▶ Front USB port for walk-up printing
- ▶ Print Preview features help you select documents or specific pages within a document
- ▶ Ability to change settings, such as duplex, at the device
- ▶ Eco-friendly features and settings to reduce energy and waste

### Built for business

Designed for medium to large workgroups, the Lexmark C925 Family is robust enough to meet the demands of your busy color printing environment, while offering the advanced networking, security and device management capabilities you need.

- ▶ Print speeds as fast as 30 ppm in both black and color. Print speeds as fast as 30 ppm in both black and color
- ▶ Standard paper input capacity of up to 450 sheets with expandability up to 2,100 sheets
- ▶ Robust connectivity makes it easy to integrate into most network environments
- ▶ Preloaded solutions to drive greater efficiency, and Lexmark Embedded Solutions Framework to further extend the capabilities of the device

- ▶ Fast 800 MHz processor and 256MB standard RAM to quickly process complex print jobs
- ▶ Innovative security controls to help protect your device, data and network, including authentication and authorization. Optional hard disk offers disk wiping and encryption
- ▶ Advanced job and user accounting to track device usage and environmental cost (hard disk required)
- ▶ Device management software available

\* Duplex not available on C792e model.

### Make a lasting impression with award-winning color

The documents you print define an important image—yours. That's why Lexmark color lasers help businesses be more productive and stand out with vibrant color. With the ability to print professional quality color in-house, you can add instant impact and save costs by virtually eliminating the need to outsource print jobs. Lexmark also offers a host of color-access and control tools to manage costs.

### The right touch

The Lexmark e-Task color touch screen is a key access point to your printer. The customizable 4.3-inch interface gives you the ability to preview thumbnails of documents prior to printing, as well as change print jobs at the device. You can even view, select and print specific pages within a document directly from the touch screen. Its easy-to-use, intuitive navigation provides fast access to the functions, shortcuts and workflows you use most. New interactive sensory features provide audible feedback, helping to guide you through each operation, confirming a touch has registered and indicating an action is transpiring.

### Protecting your information

From the data traveling through your network to the pages being printed, Lexmark's innovative security controls give you peace of mind that your valuable corporate data is protected at every stage.

- ▶ Cutting-edge user authentication and authorization controls, including LDAP, help protect your device and data
- ▶ Card reader option to add an extra layer of security
- ▶ Hard disk encryption protects sensitive data on the disk drive (hard disk optional)
- ▶ Automatic, scheduled or manual disk wiping
- ▶ IPSec, SNMPv3 and 802.1x network security supported
- ▶ Security-audit logging to help track and identify security risks

### True image always

Lexmark is dedicated to designing and manufacturing products that deliver exceptional quality and reliable performance. Maximize the return on your investment, extend the service life of your Lexmark printing equipment and make a lasting impression by always insisting on Lexmark Genuine Supplies, Service and Parts. Lexmark C925 Family color laser printers are backed by a one-year limited warranty. For further protection against unexpected expenses or downtime, extended warranty offerings are available.

**Intuitive color touch screen**

The 4.3-inch color touch screen allows you to operate your printer with ease and confidence through smart and intuitive navigation, easy access to workflow solutions and shortcuts, and the ability to preview your documents and print jobs at the device.

**Advanced security**

Protect your device, data and network with innovative security controls, like authentication and authorization, and an optional hard disk with disk wiping and encryption.

**Direct USB**

The front USB port allows for convenient walk-up preview and printing, and is compatible with most printable image file formats.

**Load multiple media types**

150-sheet and 250-sheet input trays and a multipurpose feeder come standard, allowing you to load three media types.

**Front-loading toner cartridges**

Cartridges are conveniently located at the front of the device for easy access.

**Lexmark solutions**

Reduce unnecessary printing and simplify work processes through solution applications preloaded on your device. Choose additional Lexmark solutions to fit your unique workflow needs.

**Eco-friendly features**

Print responsibly with easy-to-access features, including Eco-Mode to reduce paper and toner consumption, and the Sleep button to help you save energy.

\* Average continuous black or composite CMY declared cartridge yield in accordance with ISO/IEC 19798.
